Motivated Computer Science professional targeting Data Science/Machine Learning roles. With a foundation in scientific computing from freeCodeCamp, I bring strong organizational and communication skills. Committed to excellence in Data Analytics, I aim to contribute effectively to a dynamic team while advancing my expertise and career in Data Science.

Education

2021 - 2024 – Bachelor of Computer Science

Certifications

- Baisc Of C Programming (2022)
- Data Science Methodology Powerd by IBM (2022)
- Data Science Tools Powerd by IBM(2022)
- Python 101 for Data Science Powerd by IBM (2022)
- Python by Guvi (2023)
- Machine Learning - Dimonsionality Reduction Powerd by IBM (2023)
- Scientific Computing with Python
- by freeCodeCamp(2023)
- Introduction to Statistics authorized by Stanford University(2023)

Programming Languages

C, C++, Python, Java, SQL

Skills

*Python
*SQL
*Data Visualization
*PowerBI
*Tableau
*Machine Learning
*Microsoft Excel
*Linux
